

Looking for your Feedback!

Do you live, work or go to school in Caledonia or Southern Essex Counties? Are you 18 years old or older?

If yes, we are the Mentally Healthy Collaborative Action Network, part of NEK Prosper! We want to learn more about mental health in our community. We have developed a survey that will help us gather important information to assist in development of a communication campaign.

For participation in the anonymous survey, you can choose to enter a drawing for one of three \$100.00 gift certificates to White's Market. Please click on the link or scan the code to advance to the survey. Thank you for your time!
