

CRISIS FUEL SEASON Winter 2022/2023

HEAT AND ELECTRICITY ARE CRITICAL TO SAFETY

Are you are running out of home heating fuel? Is your electric service on the brink of disconnect? Here at NEKCA we have the following ways to help:

Crisis Fuel Assistance

We can help you if you experience a home heating emergency during the winter months. If eligible, we may help you: Buy your heating fuel; Purchase electricity if it is required to run your heating system; and Repair or replace your furnace. We can also help you negotiate payment plans and will work with your electric or natural gas company to prevent disconnection.
