

Financially Secure
Collaborative Action Network

Welcome to the Exchange!

The Economic Mobility Exchange™ is a learning network, with member organizations around the US and internationally, all seeking to improve outcomes for families and individuals. Congratulations on being part of this groundbreaking community. To make sure you have access to the courses, tools, resources, and network you need for this crucial work, we've created a quick start guide for you to get up to speed, whether your organization has just joined or you're new to your organization and getting up to speed on their approach.

Below are a few steps for you to start learning about Mobility Mentoring® and access resources.

Step 1 - [Register for the Exchange Portal](#)

This is where you can access resources, register for events, & connect with members of the global network, for Mobility Mentoring®. After you register, you should receive a confirmation email to set your password and login to the Portal within one business day. Once you have access, take a few minutes to create your profile. You can add information about your organization's implementation of Mobility Mentoring, interests, skills, groups you are involved with, etc.

Please register with name and e-mail address

Enter **NEK Prosper!** for the Company Name

Step 2: [Create your account & Start the Mobility Mentoring® Foundations \(MMF\) course](#)

As part of your level 2 membership, you (and your colleagues) have access to our online **Mobility Mentoring Foundations** course, our foundational training in our economic mobility coaching model. We recommend this course as an early step in learning to implement a Mobility Mentoring-informed approach.

Once you register, you should receive an automatic activation email. **Please check spam/junk inboxes for these emails.**

Description:

Mobility Mentoring Foundations is EMPATH's core online course. It is designed for learners to see Mobility Mentoring in action, reflect on what they have seen within the course, learn about the intentional practice to start working with families. The course is self-paced. Registration is open to all Level 2 members whenever they are ready to get started.

Step 3: Watch the Exchange Orientation Webinar

Watch this webinar for a high-level overview of Mobility Mentoring and The Exchange. This is a great webinar for all staff to view to get a high-level introduction. After viewing, check with your team about scheduling a Q&A session with your Exchange primary contact. The Orientation webinar is on the Exchange Portal.
