

Well Nourished CAN Consulting Team

DATA

Work with you to identify goals, research best practices, preparing data collection tools, to assist in implementing targeted strategies.

COMMUNITY ENGAGEMENT

Work with you to design, implement, and analyze community engagement tools to ensure your work is informed by community voices.

EVALUATION

Use Results Based Accountability™, to assist you in evaluation design, implementation and analysis.

COMMUNICATION

Assist you in identifying your audience and choosing communication tools to reach your intended audience.

WHAT WE DO

We provide technical assistance and consultative services to local organizations and groups so you can build internal capacity to deliver innovative, sustainable, and equitable **healthy food access** programs and services to create a more well-nourished NEK.

HOW WE HELP

We don't do the work for you. We assist you with the data, knowledge, technical expertise, and tools you need to improve your organizational effectiveness and strengthen your organization to grow its impact and accomplish your mission and goals.

WHY YOU NEED US

If you want to:

- Expand your services
- Add community voices to your decision-making
- Increase your funding options
- Better understand your organizations' benefits to the community

**WE ARE A VOLUNTEER GROUP; THERE IS NO CHARGE FOR OUR SERVICES.
IF YOU WANT OUR HELP, WE WILL BE HAPPY TO ASSIST YOU. CONTACT US AT
